RESPONSE TO PTO COMMUNICATION RE INFORMATION DISCLOSURE STATEMENT

Sir:

A Notice of Allowance issued in the above-identified application on December 13, 2007. Upon final review of the prosecution history, it was noted that Applicants' Information Disclosure Statement filed May 3, 2006, had not been initialed and returned by the Examiner. A check of the records on Private PAIR indicated that the IDS had been received and scanned into PAIR on May 9, 2006. On January 3, 2008, Applicants faxed a copy of the May 3, 2006 Form PTO/SB/08a and requested that the Examiner initial and return a copy of the form to complete our records.

On February 14, 2008, the PTO issued an Office Communication indicating that the IDS filed 01-03-08 fails to comply with the rules because applicants do not give a reasonable reason for the delay in filing. Applicants were not attempting to file the IDS but, rather, were providing a copy of the IDS which was filed and scanned into the PTO records in May of 2006 but never initialed and returned to Applicants by the Examiner.

I hereby certify that this correspondence is being electronically submitted to the United States Patent and Trademark Office on February 25, 2008.
